## **FDOT to Hold 36th Street Bayou Bridge Replacement Public Information Meeting**

---

Chipley– The Florida Department of Transportation (FDOT) will host a public information meeting concerning the replacement of the 36th Street Bayou Bridge in Mexico Beach. The meeting will be held Thursday, July 9 from 5 p.m. to 6 p.m. (CST) at the Mexico Beach Civic Center, 105 North 31st Street, Mexico Beach.

The intent of this project is to replace the low level bridge with a new structure. The bridge will be closed during construction; however, traffic will be maintained along a detour route. Construction is anticipated to begin winter 2017.

The meeting will be conducted in an open house format with no formal presentation scheduled. FDOT representatives will be available to explain the proposed improvements, answer questions and receive comments.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact William Barber, P.E., FDOT Project Manager toll-free at (888) 638-0250, extension 1612, or via email at [william.barber@dot.state.fl.us](mailto:william.barber@dot.state.fl.us) at least seven days prior to the meeting.

For more information, follow the Florida Department of Transportation District Three on Twitter @myfdot\_nwfl or like us on Facebook at [www.facebook.com/MyFDOTNWFL](http://www.facebook.com/MyFDOTNWFL).
